All lands, including the sixteenth and thirty-sixth sections in any township donated for the benefit of public schools in the act of the Thirty-eighth congress, to enable the people of Nevada Territory to form a state government, the 30,000 acres of public lands granted by an act of congress, approved July 2d, A. D. 1862, for each senator and representative in congress, and all proceeds of lands that have been or may hereafter be granted or appropriated by the United States to this state, and also the 500,000 acres of land granted to the new states under the act of congress distributing the proceeds of the public lands among the several states of the Union, approved A. D. 1841; provided, that congress make provision for or authorize such diversion to be made for the purpose herein contained; all estates that may escheat to the state; all of such per centum as may be granted by congress on the sale of lands; all fines collected under the penal laws of the state; all property given or bequeathed to the state for educational purposes, and all proceeds derived from any or all of said sources, shall be and the same are hereby solemnly pledged for educational purposes, and shall not be transferred to any other funds for other uses; and the interest thereon shall, from time to time, be apportioned among the several counties as the legislature may provide by law; and the legislature shall provide for the sale of floating land warrants to cover the aforesaid lands, and for the investment of all proceeds derived from any of the above-mentioned sources, in United States bonds, or the bonds of this state, or the bonds of other states of the Union, or the bonds of any county in the state of Nevada; or in loans at a rate of interest of not less than 6 per cent per annum, secured by mortgage on agricultural lands in this state of not less than three times the value of the amount loaned, exclusive of perishable improvements, of unexceptional title and free from all encumbrances, said loans to be under such further restrictions and regulations as may be provided by law; provided, that the interest only of the aforesaid proceeds shall be used for educational purposes, and any surplus interest shall be added to the principal sum; and provided further, that such portion of said interest as may be necessary may be appropriated for the support of the state university.

PROPOSED CONSTITUTIONAL AMENDMENT NO. 2

No. 7—Senate Concurrent Resolution, relative to amending section 3 of article 9 of the Constitution of the State of Nevada. [Allowing increase of bonded indebtedness of state from \$300,000 to 1 per cent of assessed valuation of state.]

[Proposed and passed at the Twenty-Sixth Session of the Legislature, March 14, 1913, Statutes of 1913, page 585, agreed to and passed at the Twenty-seventh Session of the Legislature, February 8, 1915, Statutes of 1915, page 516, and subject to ratification by the people at the general election of 1916.]

Resolved by the Senate, the Assembly concurring, That section 3 of article 9 of the constitution of the state of Nevada be amended so as to read as follows:

Section 3.—The state may contract public debts, but such debts shall never in the aggregate, exclusive of interest, exceed the sum of 1 per cent of the assessed valuation of the state, as shown by the reports of the county assessors to the state controller, except for the purpose of defraying extraordinary expenses, as hereinafter

mentioned. Every such debt shall be authorized by law for some purpose or purposes, to be distinctly specified therein; and every such law shall provide for levying an annual tax sufficient to pay the interest semi-annually, and the principal within twenty years from the passage of such law and shall specially appropriate the proceeds of said taxes to the payment of said principal and interest; and such appropriation shall not be repealed, nor the taxes postponed or diminished, until the principal and interest of said debts shall have been wholly paid. Every contract of indebtedness entered into or assumed by or on behalf of the state, when all its debts and liabilities amount to said sum before mentioned, shall be void and of no effect, except in cases of money borrowed to repel invasion, suppress insurrection, defend the state in time of war, or, if hostilities be threatened, provide for the public defense.

ARE YOU GUILTY?

A FARMER carrying an express package from a big mail-order house was accosted by a local dealer.

"Why didn't you buy that bill of goods from me? I could have saved you the express, and besides you would have been patronizing a home store, which helps to pay the taxes and builds up this locality."

The farmer looked at the merchant a moment and then said:

"Why don't you patronize your home paper and advertise? I read it and didn't know that you had the stuff I have here."
